HydroBalance

Sta-Clean Condensate Pan Strips

EPA Registered for use in condensate drain pans, **Sta-Clean Strips** by **Hydro Balance** provide up to 6 months of protection from the build up of algae, fungus, and other micro-organisms. **Hydro Balance Sta-Clean condensate pan strips** with built-in corrosion inhibitor will not cause rust in drain pans and are easy to remove at time of maintenance. For larger units, use either one larger strip or several smaller pan strips to accommodate tonnage.
